This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.

SUPPLEMENTAL RESPONSE

The current applicant-assignee of the present application is the assignee of a large number of U.S. patent applications and U.S. patents related to methods and apparatus associated with diapers and, in particular, vacuum-packaged and/or volumetrically reduced diapers. For purposes of possibly facilitating the Examiner's consideration of the present application, Applicant hereby makes available a visual overview of the U.S. patent properties at:

<http://corlett.ti-law.com/overview.pdf>

Importantly, the overview represents a quick reference to basic information regarding each U.S. patent property and includes hyperlinks directly to Public PAIR information for each property.

Respectfully submitted,
TILLMAN WRIGHT, PLLC
